See You IN CHURCH Sunday

Through His Eyes

YOU IN THE CHURCH THE CHURCH IN YOU

Church is a by-product of the church to have that vision and the will are directed with beautiful things and the will are directed with beautiful things and the will are directed with beautiful things...

© William Shakespeare
 From "The Merchant of Venice"

This is a day of reckoning. This is a day of exactness. This is a day when every man must stand up and be counted. Whether you are a watchmaker or a grinder of high-powered lenses... you've got to be good. God demands our best. He is not satisfied with average products. To be out of measurement means the whole of what you are doing is useless. Precision grinding is expected of you if you are to be trusted with the operation of this highly efficient machine. *Spiritual Precision is necessary if you are to walk with God.*

We also are to work in the field of sensitive minds, hearts, nerves and spirits. This is the realm of spiritual and eternal values. Flesh and blood persons are to be dealt with. Am I as careful in moulding the life of a child as in creating a watch, or a lens, or a pilotless plane? There is no better place to learn of the fundamental workings of God than at the little church on the corner. Here, you will hear the Master Workman, as he says, "Inasmuch as you did it unto one of the least of these, you did it unto me."

With the Hope that More People Will Come to Church this Series is Sponsored by The Torrance Ministerial Association and Made Possible by the Following Civic Leaders . . .

Red Cross in Drive For Additional Nurses' Aides

Los Angeles Red Cross recently graduated 15 volunteer nurses aides—and immediately announced another class which will get under way January 7.

The graduation ceremonies were conducted at chapter house headquarters, 1200 S. Vermont avenue, as the mercy organization "slowly but surely" moved towards its goal of 2000 aides required by the Office of Civil Defense to prepare the community "for any emergency."

"Red Cross in this area is far behind in its drive for newly trained nurses' aides to meet the high goal set by the Office of Civil Defense, so we are making plans to schedule as many classes as possible through the early part of next year to catch up with other major chapters in the country," Mrs. Warren S. Pallette, nurses' aides chairman, who presided over the graduation exercises, emphasized.

Bringing the top message of the day to the new aides was Miss Mildred Samuelson of San Francisco, executive assistant director of service groups for Pacific Area. Welcoming the volunteers upon completion of their 80-hour training course was Mrs. Hal H. Hilton, chairman of volunteer services for Los Angeles Red Cross.

Women desiring to serve as Red Cross nurses' aides are asked to call DU 4-5261, Ext. 62, for interview appointment prior to the January 7 class.

P. V. College Slates Series of Six Lectures

Three Palos Verdes College faculty members are scheduled to present a series of six lectures Jan. 8 through April 1, college officials reported today.

Dr. Camille R. Honig will speak Jan. 8 and 22 on the psychology of American foreign relations. In his first talk he will discuss Democracy and Communism. His second lecture will discuss how the world relies on the United States.

During World War II Dr. Honig was with the British Ministry of Information as lecturer on psychological warfare. He is a specialist in social psychology.

Dr. Hans N. von Koeber will give two talks on understanding the Oriental point of view. On Feb. 12 he will speak on the Caucasian and Dravidian man and on Feb. 26 the Yellow man.

A former professor of Oriental linguistics at the University of the Philippines he has been a teacher of Asiatic studies at the University of Southern California since 1928.

Frank B. Weir, member of the American Ceramics Society, will speak on March 11 on "Mud Can Be Beautiful" and on April 1 on "Have You Tried Liking Contemporary Art?"

Weir has been instructor in art at the University of California, Long Beach State College and San Diego State College.

The lectures are scheduled for 8 o'clock in the campus auditorium. College officials said that reservations should be made in advance at the college.

Child Care Study Group Concluded

Final classes of study groups on "Your Child from 6-12" conducted by the Parent Education committee of the North Torrance Elementary PTA, were held Friday at the homes of Mesdames Willis Blount and Ralph McBee. This series of 60 lectures was attended by 15 mothers.

Care of teeth was discussed at this meeting and the importance of proper nutritional measures was stressed.

Announcement was made of the Torrance Council-sponsored class on nutrition to begin Thursday, January 10 at 9:30-11:30 a.m. at Fern Avenue School auditorium, 1314 Fern avenue.

This class will be conducted by Mrs. Adelle Davis, well-known authority on nutrition and will be held for four consecutive weeks. The public is invited.

Girl Scouts' Activities

Members of Girl Scout Troop 610 are still talking about the fine time they had at the party in Nativity Parish hall during the holiday.

Their activities during the season included caroling in children's wards in Harbor General Hospital.

In attendance on both these occasions were the newly invested troop members, Ann Gillis, Joan Donald and Joan Revelle.
